as a "School of Italian Language for Foreigners"*

CULTURA ITALIANA

The School in Bologna

Cultura Italiana is a centre of activity devoted to promoting Italian culture, including that of modern Italy. Various institutions, such as Bologna University, the city authorities, cultural, artistic and social organisations, co-operate with the School in a variety of activities. The School itself is located in the Palazzo Pepoli, a fine medieval building in the historic centre of Bologna, close by the city's famous Two Towers. The School is the only one in Bologna of its kind specialising exclusively in teaching Italian to foreigners.

INTENSIVE COURSES

The courses consist of lessons in the Italian language and of a program of visits, meetings, tours, entertainment. Classes take place either in the morning between 9:00 a.m. and 12:40 p.m. or in the afternoon between 1:00 p.m. and 4:40 p.m. Classes for elementary (basic) levels are in the morning and the ones for higher levels are in the afternoon. These courses are especially economical in terms of cost-benefit ratio. They enable the student to achieve a solid grasp of the language in a short time. The class numbers are ideal in affording an opportunity for full participation by all. The four-week course is the standard, corresponding to one level. A1 (Basic 1), A2 (Basic 2), B1 (Intermediate 1), B2 (Intermediate 2), C1 (Advanced 1) and C2 (Advanced 2).
